# BLUZU BLUE CHEESE WITH YUZU & SAKE

**B**luZu™ Blue Cheese is handmade using Rogue Creamery’s traditional, open-vat cheesemaking methods, then cave-aged for an extended period of time to develop a soft, luxurious texture. Each wheel of BluZu is then soaked in yuzu-infused sake, then decorated with yuzu peel. This process creates an unusual flavor combination that highlights Rogue’s signature blue cheese in a nuanced and inventive way. The bright, citrusy notes and fruity finish provided by the sake complement the savory-sweet character of the cave-aged blue cheese wheels, resulting in a distinctive cheese guaranteed to surprise and delight.
