

ROGUE RIVER BLUE CHEESE

As fall comes to the Rogue Valley, cooler temperatures and wet weather bring renewed growth to the pastures. This is when our cow's milk is at its best – and it's only during these months that we make our limited edition, seasonal Rogue River Blue – a cheese named World Champion at the 2019/20 World Cheese Awards. After nine to eleven months of careful tending in our aging caves, our team hand-wraps each wheel in organic, biodynamic Syrah grape leaves that have soaked in pear spirits. We celebrate the release of the year's new Rogue River Blue Cheese on the Autumnal Equinox each year.

Reflecting a sense of place, Rogue River Blue expresses subtle vintage variations year-to-year. Its texture is fudgy and decadent, with the subtle crystalline “crunch” of calcium phosphate (brushite) crystals that become more pronounced with age. Rogue River Blue's complex flavor profile includes notes of pear brandy, toffee, truffle, seared steak fat, and fig.

PAIRING SUGGESTIONS

Syrah, Viognier, Cabernet Franc, Sauternes, and other Late Harvest and Port Wines; Chocolate Stout beer; Whiskey.

Delicious on its own or served with a simple fruit compote. Roasted hazelnuts, glazed pears, figs, and seared red meat are other favorite pairings.
